Following from President Supreme Moslem Council  
for Prime Minister and Colonial Secretary Begins  
Palestine Arabs are seriously disturbed by Jewish news  
alleging that British Government influenced by widespread  
Zionist Propaganda condemning White Paper may  
consequently reverse. Obviously enough any oversight if  
true will most assuredly not be considered as a good  
lesson given to Arabs. Supreme Moslem Council therefore  
beg that British Government not take into practical  
consideration well organised Jewish Propaganda stands  
firmly by decided policy aiming at correcting  
previous mistakes and do genuine justice in Holy Land  
in which both Arab and Moslem worlds are  
vitaly interested. Ameen El Hussini President.
